*Rediscovering the Kingdom* Christian Living Books

Probably no other dimension of human experience has been pondered, discussed, debated, analyzed, and dreamed about more than the nature of true love. Love is everywhere -- in songs and in books, on televisions and on movie screens. Yet, for all of our thinking and talking, how many of us truly understand love and where can we turn for genuine insight in matters of true love?

You can enjoy continuous fellowship with the Lord. Your decisions make a big difference in what happens on earth. Dr. Munroe explains how Reclaiming God's Original Purpose for Your Life will bring you joy, peace and abundant living. You were born to lead. Now it's time to become a leader. Leaders may be found in boardrooms, but they may also be found in families, schools, and organizations of all kinds—anywhere people interact, nurture, create, or build. Contrary to popular opinion, leadership is not meant for an elite group of people who, by fate or accident, become leaders while everyone else is consigned to being a lifelong follower. After personally training thousands of leaders from around the world, best-selling author Dr. Myles Munroe reports that while every person possesses the potential of leadership, many do not understand how to cultivate the leadership nature and how to apply it to their lives. In *The Spirit of Leadership*, Dr. Munroe defines the unique attitudes that all effective leaders exhibit, explains how to eliminate hindrances to your leadership abilities, and helps you to fulfill your particular calling in life. "...a defining portrait of true and effective leadership. On these pages you will discover your purpose, your passion, and your potential to become the leader God has destined you to be." —Pastor John Hagee, Cornerstone Church "[Dr Myles Munroe's] wisdom is to the believer what a phone booth was to Superman! Step into every page and be charged!" —Bishop T. D. Jakes, The Potter's House of Dallas "The world is groaning in travail, waiting for the manifestation of those who will rise up as followers of God and leaders of men.... Dr. Myles Munroe will give you invaluable insight in your quest to discover and develop the spirit of a leader." —Pastor Rod Parsley, World Harvest Church "Are you aware that God has ordained you to be a leader? In *The Spirit of Leadership*, Dr. Myles Munroe gives us the key to find the hidden leader within ourselves. I highly recommend this inspired book to all." —Paul F. Crouch, Trinity Broadcasting Network "In *The Spirit of Leadership*, Dr. Myles Munroe taps into the core truths of authentic, successful leadership. Through decades of study and careful observation, Dr. Munroe has identified the key—the missing ingredient that activates the potential to lead found within every human being." —Marilyn Hickey, Marilyn Hickey Ministries

*The Burden Of Freedom* explains that too many people use past oppression to remain mired in hatred and irresponsibility today. The spirit of oppression has specific telltale effects on individuals, communities, and nations. These are identified by Myles Munroe as a hatred for work, laziness, fear, low self-esteem, selfishness, lack of creativity, low initiative, and distrust of those in authority. To break free from these self-replicating cycles of oppression there must be a mental transformation. Paradoxically, freedom requires the need to impose control on self, require more responsibility than slavery, and the decision to accept a destiny of freedom, recognizing the process and discipline that personal and political freedom require. Simply put, *The Burden Of Freedom* should be available to every citizen and on the shelves of every high-school, college, and community library in the country.

**The Power of Character in Leadership** Whitaker House

Leaders everywhere, in arenas big and small, struggle with the desire and, frankly, the need to make sure their vision for the organization they have created or grown continues regardless of circumstances. And the question "what will be my legacy?" is a question all people ask themselves. Myles Munroe has observed that the tendency among leaders is to deal with this question as serious circumstances or retirement loom. Further, it is his belief that this is one of the most important decisions a leader will ever make. This book is a wakeup call. Myles Munroe wants all leaders to focus on building the right team for the future and to make it a top priority because the process is not a quick one. Properly mentoring the right people to ensure the continuation of an organization is actually a process that must be woven into that organization over a span of years or even decades. Chapter topics discussed include The Chaos of Transition The Leadership Dilemma Living Beyond Your Generation The Principles of Mentoring **PASSING IT ON** shows how to use the concept of mentoring within an organization to value the distinct talents and abilities of the individuals. Mentoring is the pathway to developing leaders from within; leaders who are in line with the goals of the organization; leaders who are most likely to adopt and carry a vision forward.

[Releasing Your Potential](#) Whitaker Distribution

The miracles and mighty acts that God has performed in the past make up the history that we Christians cherish today. Those stories from the Bible should serve to encourage and strengthen us. And yet we are totally wrong if we think that the miracles of God are relegated to the past. The mighty acts He is doing in our time will make up the history of tomorrow. If the Lord tarries, we will have an opportunity to convey in detail to our grandchildren what God has done in our generation. Only if we remember all His benefits can we pass this wonderful knowledge down to future generations. In this book, Roberts gives his insights on the importance of learning to bless the Lord and how to let go of your past in order to move ahead. Discover the blessings that God has waiting for you.
