MOHAMME D SEMAJ

Bat Boy May
Books
Matt: Want to
know the
fastest way to

get screwed
out of a
football
career? Get
photographed
in a
compromising
position in a
gay bar. Yep,
welcome to
my life. My
agent says he

can fix my
image. He
wants me to
become the
poster boy for
gay football
players. Me? I
just want back
on the field. I'll
do anything to
play for the
NFL again,

even pretend to have a steady boyfriend. If only my fake boyfriend wasn't Noah Huntington III - the most arrogant, entitled rich guy in the world. Noah: Pretend to be Matt Jackson's boyfriend, my best friend said. It'll be fun, he said. What Damon neglected to mention is Matt is surly and bitter. Being his boyfriend is a job in itself. From his paranoia over being constantly photographed

to his aversion to PDA, being with Matt isn't the care-free fake relationship I expected when I signed on to do this. It's supposed to be a win-win. I get to stick it to my politician dad who thinks no one is good enough for the Huntington name, and Matt's reputation of being the bad boy of football dies. What I don't expect is to start caring for the guy. That's not part of the plan. Then again, neither is fooling around

with him. Oops. One Night With Rhodes Independently Published A bisexual prince isn't the only scandal in this palace. Destined for the crown he doesn't want. Bad boy Alexander hates his title. He's the tabloids' favourite hot mess. Xander thrives in the attention but wishes they'd leave those rumours about him on the editing room floor. The ones about the type of company he

likes to keep. Irresponsibility takes a backseat when tragedy strikes the royal family. Gone are the days of being the reluctant prince. Instead, duty and obligation become Xander's life. Until he meets Delia. Not as lady-like as she seems. Lady Cordelia Hillington was raised right. She knows how to act appropriately in public and appear demure in front of the dignitaries she grew up around. Which

is why Prince Alexander is taken aback by dirty promises falling out of her mouth at a charity event. After a steamy night at an anonymous, high-end sex club with a handsome stranger wearing a mask, Xander and Delia are desperate to find their Cinderella man. Little do they know, he's closer than either of them would suspect. Determined to remain professional. Roman Elliot,

former soldier turned royal guard, has kept his feelings for the prince a secret for years. His job is everything to him, and he's not going to do anything to jeopardize it. That's the plan until he finds Prince Alexander at a sex club with none of his security detail accompanying him. It's a night Roman wishes he could forget but being assigned as Delia's protector for the summer makes it hard. He can't let

them know it was him they spent a night with, but he gets the feeling both Xander and Delia already might know ...**Unprincipely is a 54,000-word MMF contemporary royal novel with over the top characters, impromptu proposals, and just a touch of Cinderella-ism. HEA guaranteed.**
Pudd'nhead Wilson and Those Extraordinary Twins
Harper Collins
Picture of life in a Missouri town and the

adventures of an amateur detective.
The Glass Castle New York : Harper
Riding a tsunami of information, the public has trampled on the temples of authority in every domain of human activity, everywhere.
The Revolt of the Public tells the story of how ordinary people, gifted amateurs networked in communities of interest, have swarmed over the hierarchies of accredited professionals, questioned

their methods, and shouted their failures from the digital rooftops. In science, business, media - and, pre-eminently, in politics and government - established elites have lost the power to command attention and set the agenda. The consequences have been revolutionary. Insurgencies enabled by digital devices and a vast information sphere have mobilized millions, toppling dictators in

Egypt and Tunisia, crushing the ruling Socialist Party in Spain, inspiring "Tea Parties" and "Occupations" in the United States. Trust in political authority stands at an all-time low around the world. The Revolt of the Public analyzes the composition of the public, the nature of authority and legitimacy, and the part played by the perturbing agent: information. A major theme of the book is whether

democratic institutions can survive the assaults of a public that at times appears to be at war with any form of organization, if not with history itself. The Revolt of the Public and the Crisis of Authority in the New Millennium DigiCat Roo Five years ago, I walked away from Sunbury, Oregon, and left my best friend behind. The move was supposed to get my life on track. I even had a list. Life changing

epilepsy surgery. Check. See the world. Check. Get over my straight best friend ... Not exactly. No matter where I go or who I meet, I can't let Tanner go. I'm back to tell him how I feel. To get the closure I need once and for all. Only now I'm here and falling for him all over again, it's getting harder to say the words. Because once I have my closure, I'll be gone. And this time it will be for good. Tanner When

my best friend, Roo, left for Australia, it was the worst day of my life. I thought we'd have each other always. But Roo needed the surgery so I let him go, thinking he'd come straight back. Five years is a long time. Now he's here, all I want is to hold on tight. I need to show him what he means to me. The problem is, I'm not exactly sure what that is. My draw to him has always been confusing and

different- everyone in town says so. But I struggle to understand it. All I know is I won't survive him leaving again. And I'll do anything to make him stay. Just Friends is a best friends-to-lovers romance with an oblivious MC, only one bed, and terrible kangaroo jokes.

We Beat the Street

Chicago Review Press Liberty fabric covered editions bring classics from the Faber backlist

together with important modern titles, putting them in conversation and celebrating both the history and the future of Faber & Faber. Sylvia Plath's groundbreaking semi-autobiographical novel offers an intimate, honest and often wrenching glimpse into mental illness. The Bell Jar broke the boundaries between fiction and reality and helped cement Sylvia

<p>Plath's place as an enduring feminist icon. Celebrated for its darkly humorous, razor sharp portrait of 1950s society, it continues to resonate with readers today as testament to the universal human struggle to claim one's rightful place in the world. In 2019, Sylvia Plath's <i>The Bell Jar</i> will be reissued as a special hardback edition with a Liberty fabric from the year of the novel's first</p>	<p>publication (1963); Milkman, winner of the 2018 Man Booker Prize, will be reissued with a bespoke Liberty fabric cover, created uniquely for Anna Burns. ABOUT THE FABRIC Originally inspired by an impression sheet from Liberty's print works at Merton Abbey. First produced in 1961, this low-colour geometric design features abstract broken lines which almost create a</p>	<p>subtle and wavy camouflage effect. <u>Fake Out</u> Nicholas Brealey Southern Horrors: Lynch Law in All Its Phases is an essay by Ida B. Wells-Barnett. It presented the horrors of lynching and advocated ending the practice entirely after the US Civil War. <i>Just Friends</i> Harper Collins "We've got some difficult days ahead," civil rights activist Martin Luther King, Jr., told a</p>
--	---	---

crowd gathered at Memphis's Clayborn Temple on April 3, 1968. "But it really doesn't matter to me now because I've been to the mountaintop. . . And I've seen the promised land. I may not get there with you. But I want you to know tonight that we as a people will get to the promised land." These prophetic words, uttered the day before his assassination, challenged those he left

behind to see that his "promised land" of racial equality became a reality; a reality to which King devoted the last twelve years of his life. These words and other are commemorated here in the only major one-volume collection of this seminal twentieth-century American prophet's writings, speeches, interviews, and autobiographical reflections. A Testament

of Hope contains Martin Luther King, Jr.'s essential thoughts on nonviolence, social policy, integration, black nationalism, the ethics of love and hope, and more. Unspoken Vow New Directions Publishing Josiah Evans lost both his parents; he's sweet, shy, and wants nothing more than to be loved. Mateo Sanchez has seen it all as the son of a gang leader, and never hesitates to

do what needs to be done, no matter what it is. Wealthy attorney Tristan Croft clawed his way up from the bottom to rule his own world, and will never depend on anyone but himself again. Three men who couldn't be more different ... until their lives intersect and they find an uncommon balance that calms the storms inside each of them, and ignites fires hotter than they ever thought imaginable.
Amusing

Ourselves to Death
Independently Published
Explores the homogenization of American culture and the impact of the fast food industry on modern-day health, economy, politics, popular culture, entertainment, and food production.
A Testament of Hope
Penguin Maddox
The reason I rarely go home is three simple words: I'm a liar. When the pressure to marry my childhood

sweetheart became too much, I told her I was gay and then fled to New York like my ass was on fire. Now, five years later and after a drunken encounter, I find myself invited to her wedding. And I have to bring my boyfriend—the boyfriend who doesn't exist because I'm straight. At least, I think I am. Meeting the guy I'm bribing to be my boyfriend for the weekend makes me question everything

about myself. Damon When my sister asks me to pretend to be some straight guy's boyfriend, my automatic response is to say no. It's because of guys like him people don't believe me when I tell them I'm gay. But Maddox has something I need. After an injury that cost me my baseball career, I'm trying to leave my playing days behind and focus on being the best sports agent I can be. Forty-

eight hours with my sister's best friend in exchange for a meeting with a possible client. I can do this. I just wish he wasn't so hot. Or that he didn't kiss like he means it. Wait ? why is the straight guy kissing me? *Trick Play* Simon and Schuster Mike Bravo. Knights in shining ? camo. Iriš live for adrenaline. The thrill of the chase. And because I work for Mike Bravo, a private black-

ops firm, it's my job to go into dangerous situations. But when we're called in to extract a military team from a hostile situation, the thrill is so much better. Because one of those men happen to be the golden boy from my basic training days. Brock "Saint" Harlow was a walking Captain America in the flesh. The perfect soldier. Now my boss wants to recruit him, and I can't wait to rub it

in his face that he was rescued by me. The class clown. I'm not called Iris "I require intense supervision" for nothing. Saint Military life is all I've known since I was born. I was raised to be a soldier. But when a top-secret mission fails, I find myself suddenly discharged with nowhere to go. Mike Bravo saved my life, and they want me to join them, but there's one small problem. Isaac

"Iris" Griffin. He's as irresistibly snarky as he always was, only there's a big difference this time. I'm no longer closeted or scared to live my truth. And the truth is, I've always wanted him. It's against Mike Bravo's rules to fraternize with other team members, and I always follow orders. But something tells me Iris might be worth the insubordination. *Broken Pieces* Penguin

What happens when media and politics become forms of entertainment? As our world begins to look more and more like Orwell's 1984, Neil's Postman's essential guide to the modern media is more relevant than ever. "It's unlikely that Trump has ever read *Amusing Ourselves to Death*, but his ascent would not have surprised Postman." - CNN Originally published in 1985, Neil

Postman's groundbreaking polemic about the corrosive effects of television on our politics and public discourse has been hailed as a twenty-first-century book published in the twentieth century. Now, with television joined by more sophisticated electronic media—from the Internet to cell phones to DVDs—it has taken on even greater significance. Amusing Ourselves to Death is a prophetic look

at what happens when politics, journalism, education, and even religion become subject to the demands of entertainment. It is also a blueprint for regaining control of our media, so that they can serve our highest goals. "A brilliant, powerful, and important book. This is an indictment that Postman has laid down and, so far as I can see, an irrefutable one."
-Jonathan Yardley, The

Washington Post Book World
The Book of the Courtier
Createspace Independent Publishing Platform
The Mob is notorious for its cruel and immoral practices, but its most successful members have always been extremely smart businessmen. Now, former mobster Louis Ferrante reveals its surprisingly effective management techniques and explains how to apply

them-legally-to any legitimate business. As an associate of the Gambino family, Ferrante relied on his instincts to pull off some of the biggest heists in U.S. history. By the age of twenty-one, he had netted millions of dollars for his employers. His natural talent for management led Mafia bosses to rely on him. After being arrested and serving an eight-and-a-half-year prison

sentence, Ferrante went straight. He realized that the Mob's most valuable business lessons would allow him to survive and thrive in the real world. Now he offers eighty-eight time-tested Mafia strategies, including: * Go get your own coffee!: Respecting the chain of command without being a sucker. * The walls have ears: Never bad-mouth the boss. * Is this phone tapped?:

Watch what you say every day. * How to bury the hatchet-but not in someone's head. * Don't split yourself in half: The wrong decision is better than none at all. * Don't build Yankee stadium, just supply the concrete: Spotting new rackets. * Leave the gun, take the cannolis...and beware of hubris. Ferrante brings his real-life experiences to the book, offering

fascinating advice that really works and sharing behind-the-scenes episodes almost as outrageous as those occurring on Wall Street every day.

The Leopard's Spots

Houghton Mifflin Harcourt
In this unique work, Henry Miller gives an utterly candid and self-revealing account of the reading he did during his formative years.

The Books in My Life

Createspace

Independent Publishing Platform
Blair Rhodes considers himself an equal opportunity player. He knew from a young age that he wasn't entirely straight.

Ogling his best friend's older brother was the first thing that tipped him off.

But Garrett Erikson is off limits. Always has been.

Garrett is as straight as they come.

Garrett's reputation as a womaniser precedes him, but it's not

who he is. Not even close. And when Blair turns up on his doorstep, heartbroken over a breakup, Garrett knows it's a bad idea to go drinking with him. One night is all it takes for everything to change. For the past ten years, Garrett's denied his desires to everyone, including himself. And as much as Blair wants to be the guy Garrett needs, he needs to protect his own heart.

Like his ex-boyfriend always told him: "Never mess with the straight ones. It only leads to trouble."

Puck Drills & Quick Thrills

One World
The international hit returns with even more wit and insight into the hidden rules that make England English.

Mike Bravo

Ops Penguin UK

The Laws is Plato's last, longest, and perhaps, most famous work. It presents a conversation on political

philosophy between three elderly men: an unnamed Athenian, a Spartan named Megillus, and a Cretan named Clinias.

They worked to create a constitution for Magnesia, a new Cretan colony that would make all of its citizens happy and virtuous.

In this work, Plato

combines political philosophy with applied legislation, going into great detail concerning what laws and procedures

should be in the state. For example, they consider whether drunkenness should be allowed in the city, how citizens should hunt, and how to punish suicide. The principles of this book have entered the legislation of many modern countries and provoke a great interest of philosophers even in the 21st century. Soledad Brother DigiCat
A collection of Jackson's letters from prison,

"Soledad Brother" is an outspoken condemnation of the racism of white America and a powerful appraisal of the prison system that failed to break his spirit but eventually took his life. Jackson's letters make palpable the intense feelings of anger and rebellion that filled black men in America's prisons in the 1960s. But even removed from the social and political firestorms of

the 1960s, Jackson's story still resonates for its portrait of a man taking a stand even while locked down. *The Other Wes Moore* Simon and Schuster Miller:When Talon left to play pro ball six years ago, the hole in my chest confused me. I focused my heartache into making my own NFL dreams come true, and by the time I was drafted, the longing I had for my best friend was buried deep.Now he

wants everything to be like it was in college, but we can't have threesomes and be reckless like we once were. The media storm would be enough to break both our careers.That's not my biggest concern though. The torch I had for him burns brighter after so long apart, and there's nothing I can do about it. Marcus Talon is straight.I need to stay away from him.Talon:Years ago, Miller and I made a

pact that we'd
win a Super
Bowl together.
When I'm
offered a
position on his
team in
Chicago, I
don't hesitate.
I move across
the country to
chase a dream
that's a
decade

old. Only, now
that I'm here,
he's avoiding
me every
chance he
gets. If he was
anyone else,
I'd cut my
losses. But this
is Shane
Miller--the guy
who makes
everything
better just by

existing in my
universe. The
guy I'd do
anything for.
The guy who's
more to me
than a
brother, a
friend, or even
a
teammate. I'm
not going to
let him get
away.
