A history of the common people and the Industrial Revolution: "A true masterpiece" and one of the Modern Library's 100 Best Nonfiction Books of the twentieth century (Tribune). During the formative years of the Industrial Revolution, English workers and artisans claimed a place in society that would shape the following centuries. But the capitalist elite did not form the working class—the workers shaped their own creations, developing a shared identity in the process. Despite their lack of power and the indignity forced upon them by the upper classes, the working class emerged as England's greatest cultural and political force. Crucial to contemporary trends in all aspects of society, at the turn of the nineteenth century, these workers united into the class that we recognize all across the Western world today. E. P. Thompson's magnum opus, *The Making of the English Working Class* defined early twentieth-century English social and economic history, leading many to consider him Britain's greatest

postwar historian. Its publication in 1963 was highly controversial in academia, but the work has become a seminal text on the history of the working class. It remains incredibly relevant to the social and economic issues of current times, with the Guardian saying upon the book's fiftieth anniversary that it "continues to delight and inspire new readers."

The Living Word 2022-2023 Open Road Media

This now classic book is a significant corrective to several recent developments in the study of the historical Jesus. In contrast to depictions of Jesus as a wandering Cynic teacher, Geza Vermes offers a portrait based on evidence of charismatic activity in first-century Galilee. Vermes shows how the major New Testament titles of Jesus—prophet, Lord, Messiah, son of man, Son of God—can be understood in this historical context. The result is a description of Jesus that retains its power and its credibility.

Perfect Company Masterlab

"This volume investigates the ambition of the Red International of Labour Unions to radicalize the global waterfront during the interwar period. The main vehicle was the International Propaganda Committee of Transport Workers, replaced in 1930

by the International of Seamen and Harbour Workers as well as their agitation and propaganda centres, the International Harbour Bureaus and the International Seamen's Clubs. The investigation scrutinizes their solidarity campaigns in support of local and national strikes as well as on their agitation against discrimination, segregation and racism within the unions, their demands to organize non-white maritime transport workers, and their calls for engagement in anti-fascist, anti-war and anti-imperialist actions"--

Contains everything needed to celebrate the Saints' days, principal holy days and special occasions in the Church of England calendar. It brings together all the prayers and Collects needed for these days with Eucharistic material and music, plus Holy Communion Order One in the centre of the book for easy access.

The Popes, the Catholic Church and the Transatlantic

Enslavement of Black Africans 1418-1839 Mohr Siebeck

Gloria's life was threatened many times by evildoers but Jesus was always there. She experienced many spiritual and physical difficulties with the production of this book but with the help of Jesus, His Mother and the Saints, she lived to tell the story. Satan and his agents worked hard to prevent this book from being published. However, Jesus was always ahead of them. This book tells us that God our creator, is very near to us. We are His sacred temples, He hears, sees, and knows everything about us. He is interested in our lives and even more interested in our souls. He will befriend each one of us as He did with Gloria. This book will appeal to you if you: Have loved the Lord all your life and now you want to learn more about His mysteries. Are an atheist - thinking that God does not exist. Are sitting on the fence not knowing which way to turn. Think your life is fulfilled - you do not need God or you put God in His place. Are just using God for your convenience. Are a Priest or Pastor wandering why your congregation is so faithless. Are just curious.

Norms for the Distribution and Reception of Holy Communion Under Both Kinds in the Dioceses of the United States of America
 Church House Publishing

The Living Word™ helps youth ministers, parish catechists, and high school religion teachers meet teens where they are and guide them to a deeper understanding of the Gospel's role in their lives. This model of liturgical catechesis through lectionary readings enhances the liturgical preparation, liturgical participation, and liturgical living of teens. Each session can be easily incorporated into lessons or group activities that have already been planned. This resource includes materials for each Sunday and holyday of obligation from the first Sunday of August through the last Sunday in July. Additionally, The Living Word™ includes digital resources to help teens reflect on and act on the Sunday Gospel throughout the week. The Living Word™ includes the following: -Complete and flexible 15-minute sessions to complement your current teen programs -Connections to the liturgical calendar and to Catholic teachings -Ritual with the proclamation of the Gospel -Reflections to help teens understand the Gospel in the context of their own experiences and concerns - Useful tools for integrating the New Evangelization in your teen ministry -Digital reproducibles (in PDF and JPG format) for teens that can be printed, emailed, and shared via social media Authors include Kate Cousino, Julie Dienno-Demarest, Aires Patulot, and Liza N. Peters.

Foundations for Preaching and Teaching®: Scripture

Backgrounds for 2014 Church House Publishing

This paperback volume contains all the contemporary language Collects and the prayers to be said after Communion, for every Sunday and every major and lesser festival in the year. It provides both the original collects from the Common Worship Main Volume and the Additional Collects on the same page for convenience and ease of use.

Children's Liturgy of the Word 2012-2013: A Weekly Resource
 BalboaPress

A New York Times bestseller people can believe in—by "a pioneer of the new urban Christians" (Christianity Today) and the "C.S. Lewis for the 21st century" (Newsweek). Timothy Keller, the founding pastor of Redeemer Presbyterian Church in New York City, addresses the frequent doubts that skeptics, and even ardent believers, have about religion. Using literature, philosophy, real-life conversations, and potent reasoning, Keller explains how the belief in a Christian God is, in fact, a sound and rational one. To true believers he offers a solid platform on which to stand their ground against the backlash to religion created by the Age of Skepticism. And to skeptics, atheists, and agnostics, he provides a challenging argument for pursuing the reason for God.

Hereditary Genius Thomas Nelson

The primary focus of *Democracy in America* is an analysis of why republican representative democracy has succeeded in the United States while failing in so many other places. Tocqueville seeks to apply the functional aspects of democracy in the United States to what he sees as the failings of democracy in his native France. Tocqueville speculates on the future of democracy in the United States, discussing possible threats to democracy and possible dangers of democracy. These include his belief that democracy has a tendency to degenerate into "soft despotism" as well as the risk of developing a tyranny of the majority. He observes that the strong role religion played in the United States was due to its separation from the government, a separation all parties found agreeable. He contrasts this to France where there was what he perceived to be an unhealthy antagonism between democrats and the religious, which he relates to the connection between church and state. Insightful analysis of political society was supplemented in the second volume by description of civil society as a sphere of private and civilian affairs. Ebook EPUB version - flexible layout with scalable text.

Jesus the Jew LiturgyTrainingPublications

This revised, expanded edition of the Common Worship President's Edition contains everything to celebrate Holy Communion Order One throughout the church year. It combines relevant material from the original President's Edition with Eucharistic material from Times and Seasons, Festivals and Pastoral Services, and the Additional Collects.

The Making of the English Working Class Ashgate Publishing, Ltd.

Making Amulets Christian: Artefacts, Scribes, and Contexts examines Greek amulets with Christian elements from late antique Egypt in order to discern the processes whereby a customary practice—the writing of incantations on amulets—changed in an increasingly Christian context. It considers how the formulation of incantations and amulets changed as the Christian church became the prevailing religious institution in Egypt in the last centuries of the Roman empire. Theodore de Bruyn investigates what we can learn from incantations and amulets containing Christian elements about the cultural and social location of the people who wrote them. He shows how incantations and amulets were indebted to rituals or ritualizing behaviour of Christians. This study analyzes different types of amulets and the ways in which they incorporate Christian elements. By comparing the formulation and writing of

individual amulets that are similar to one another, one can observe differences in the culture of the scribes of these materials. It argues for 'conditioned individuality' in the production of amulets. On the one hand, amulets manifest qualities that reflect the training and culture of the individual writer. On the other hand, amulets reveal that individual writers were shaped, whether consciously or inadvertently, by the resources they drew upon—by what is called 'tradition' in the field of religious studies.

Celebrating the Lectionary for Preschool and Kindergarten 2012-2013: Supplemental Lectionary-Based Resource

Oxford University Press

This book explores how the figure of the Prophet Muhammad was misrepresented in English and wider Christian culture between 1480 and 1735. By tracing the ways in which 'Mahomet' was written and rewritten, contested and celebrated, this study explores notions of identity and religion, and the resonances of this history today.

Religion in Rebellions, Revolutions, and Social Movements demonstrates that, while religion is often a social force that maintains, if not legitimates, the socio-political order, it is also a decisive factor in economic, social, and political conflict. The book

explores how and under what conditions religion functions as a progressive and/or reactionary force that compels people to challenge or protect social orders. The authors focus on the role that religion has played in peasant, slave, and plebeian rebellions; revolutions including the Chinese, English, French, Russian, and Iranian; and modern social movements. In addition to these case studies, the book also contains theoretical chapters which explore the relationship religious thought has with the politics of liberation and oppression. It examines the institutional, organizational, ritualistic, discursive, ideological, and/or framing mechanisms that give religion its oppressive and liberating structures. Many scholars of religion continue very conventional modes of thinking, ignoring how religion has been—and continues to be—both a hegemonic and counter-hegemonic force in conflict. This book looks at both sides of the equation. This international and interdisciplinary volume will interest students and scholars in the fields of politics of religion, sociology of religion, religious studies, gender studies, and history.

Sacramental Theology Penguin

How propaganda undermines democracy and why we need to pay attention Our democracy today is fraught with political campaigns, lobbyists, liberal media, and Fox News commentators, all using language to influence the way we think and reason about public issues. Even so, many of us believe that propaganda and manipulation aren't problems for us—not in the way they were for the totalitarian societies of the mid-twentieth century. In *How Propaganda Works*, Jason Stanley demonstrates that more attention needs to be paid. He examines how propaganda operates subtly, how it undermines democracy—particularly the ideals of democratic deliberation and equality—and how it has damaged democracies of the past. Focusing on the shortcomings of liberal democratic states, Stanley provides a historically grounded introduction to democratic political theory as a window into the misuse of democratic vocabulary for propaganda's selfish purposes. He lays out historical examples, such as the restructuring of the US public school system at the turn of the twentieth century, to explore how the language of democracy is sometimes used to mask an undemocratic reality. Drawing from a range of sources, including feminist theory, critical race theory, epistemology, formal semantics, educational theory, and social and cognitive psychology, he explains how the manipulative and hypocritical declaration of flawed beliefs and ideologies arises from and perpetuates inequalities in society, such as the racial injustices that commonly occur in the United States. *How Propaganda Works* shows that an understanding of propaganda and its mechanisms is essential for the preservation and protection of liberal democracies everywhere.

The New American Bible Princeton University Press

A classic resource, The MacArthur Study Bible is perfect for serious study. Dr. John MacArthur has collected his pastoral and scholarly work of more than 35 years to create the most comprehensive study Bible available. No other study Bible does such a thorough job of explaining the historical context, unfolding the meaning of the text, and making it practical for your life. Features include: 125-page concordance, including people and places More than 20,000 study notes, charts, maps, outlines, and articles from Dr. John MacArthur Overview of Theology Index to Key Bible Doctrines Part of the Signature Series line of Thomas Nelson Bibles MacArthur Study Bibles sold to date: More than 1.8 million The New King James Version®—More than 60 million copies sold Thomas Nelson Bibles is giving back through the God's Word in Action program. The Living Word™ 2023-2024 Canterbury Press

The Living Word™ helps youth ministers, parish catechists, and high school religion teachers to engage in a process of catechesis that finds its source in the liturgy. The sessions in this resource are designed to enhance the liturgical preparation, liturgical participation, and liturgical living of teens through reflection on the Lectionary readings. This resource includes materials for each Sunday and Holyday of Obligation of the school year, running from the Eighteenth Sunday in Ordinary Time through the Seventeenth Sunday of the following year.

Common Worship: Times and Seasons President's Edition USCCB Publishing

Mehr als 400 Jahre lang erlitten schwarzafrikanische Männer, Frauen und Kinder während des transatlantischen Sklavenhandels schlimmste Formen der Versklavung und Erniedrigung durch Katholiken und das westliche Christentum. Damals wie heute glaubte niemand an die tiefe Verwicklung der Kirche und des Papsttums in den schwarzafrikanischen Holocaust. Trotz jüngster Behauptungen des päpstlichen Officiums in Rom, wonach die Päpste jegliche Form von Sklaverei verurteilten, so auch im Falle der Versklavung von Schwarzafrikanern, verweisen neuere Studien innerhalb dieses Forschungsfeldes auf das Gegenteil. Die Kirche und die Päpste nahmen vielmehr zentrale Rollen in diesem schlimmsten Verbrechen gegen die Schwarzafrikaner seit Beginn der schriftlichen Dokumentation ein. Mithilfe zahlreicher päpstlicher Bullen aus den Geheimarchiven des Vatikans und einer Vielzahl an königlichen Dokumenten aus dem portugiesischen Nationalarchiv in Lissabon, strebt der vorliegende Band eine kritische und analytische Untersuchung dieses Aspekts des transatlantischen Sklavenhandels an, der über so viele Jahre von den westlichen Historikern und Gelehrten verschleiert wurde. For over 400 years, Black African men, women and children suffered the worst type of enslavement and humiliation from the hands of Catholics and other Western Christians during the transatlantic slave trade. Before now, no one could ever believe that the Popes of the

Church were deeply involved in this Holocaust against Black African people. Despite the claims made by the hallowed papal office in Rome in recent years that the Popes condemned the enslavement of peoples wherever it existed including that of Black Africans, recent researches in these fields of study have proved the contrary to be true. The Church and her Popes were rather among the major "role players" in this worst crime against Black Africans in recorded history. With the help of a considerable number of papal Bulls from the Vatican Secret Archives and a great amount of Royal documents from the Portuguese National Archives in Lisbon, the present book is aiming to undertake a critical and analytical inquiry of this aspect of the transatlantic slavery that has been kept in the dark for so many years by the Western historians and scholars. The results of this studious but fruitful academic inquiry are laid bare in this notable work of the 21st century. Pius Onyemechi Adiele is a Catholic priest of Ahiara Diocese Mbaise and an alumnus of Seat of Wisdom Seminary Owerri and Bigard Memorial Seminary Enugu in Nigeria. He obtained his licentiate in Theology from the famous University of Münster and his doctoral degree in Church History from the renowned University of Tübingen in Germany. At present, he is a research fellow in the areas of African Church History and Enslavement of peoples as well as the pastor in charge of the merged parishes of Lauchheim, Westhausen, Lippach, Röttingen and Hülen in Germany.

The New International Lesson Annual 2012-2013 Georg Olms Verlag

Living Liturgy™ is the indispensable resource that supports parish ministers of all types in preparing well for the celebration of Mass for Sundays, solemnities, and select other days, so that celebrating the liturgy and living a liturgical spirituality go hand-in-hand.
