Morris is a little boy who loves using his imagination. But most of all, Morris loves his classroom's dress-up center and its tangerine dress. Morris is a little boy who loves using his imagination. He dreams about having space adventures, paints beautiful pictures and sings the loudest during circle time. But most of all, Morris loves his classroom's dress-up center — he loves wearing the tangerine dress. But the children in Morris's class don't understand. Dresses, they say, are for girls. And Morris certainly isn't welcome in the spaceship some of his classmates are building. Astronauts, they say, don't wear dresses. One day when

Morris feels all alone, and sick from the taunts of his classmates, his mother lets him stay home from school. Morris reads about elephants, and puts together a puzzle, and dreams of a fantastic space adventure with his cat, Moo. Inspired by his dream, Morris paints the incredible scene he saw, and brings it with him to school. He builds his own spaceship, hangs his painting on the front of it and takes two of his classmates on an outer space adventure. With warm, dreamy illustrations Isabelle Malenfant perfectly captures Morris's vulnerability and the vibrancy of his imagination. This is a sweetly told story about the courage and creativity it takes to be different. How can one girl change the world? It all began with a heart for justice and a little black dress. In 2012, sixteen-year-old Bethany Winz decided to make a difference. To raise awareness, she determined to - wear the same black dress every day for a year to bring attention to the lack of choices slaves have - come up with new ways to accessorize the dress each day - use her blog and pictures of her outfits to raise money for agencies helping those who were being trafficked Her yearlong journey was one of hope, discipline, and sometimes disappointment. She celebrated some successes yet despaired at the depth of the problem. As she found her identity tied to the things she did, Bethany discovered that while she stood for freedom for others, she also struggled to find her own freedom in believing that she was loved just as she was. This moving book shows readers that their voices matter, they can make a difference, and sometimes the smallest gestures have lasting impact.

The Dress in the Window Hachette UK

"Remarkable" —Hamish Bowles, *Vogue* The overdue restoration of Catherine Dior's extraordinary life, from her brother's muse to Holocaust survivor When the French designer Christian Dior presented his first collection in Paris in 1947, he changed fashion forever. Dior's "New Look" created a striking, romantic vision of femininity, luxury, and grace, making him—and his last name—famous overnight. One woman informed Dior's vision more than any other: his sister, Catherine, a Resistance fighter, concentration camp survivor, and cultivator of rose gardens who inspired Dior's most beloved fragrance, Miss Dior. Yet the story of Catherine's remarkable life—so different from her famous brother's—has never been told, until now. Drawing on the Dior archives and extensive research, Justine Picardie's *Miss Dior* is the long-overdue restoration of Catherine Dior's life. The siblings' stories are profoundly intertwined: in Occupied France, as

Christian honed his couture skills, Catherine dedicated herself to the Resistance, ultimately being captured by the Gestapo and sent to Ravensbruck, the only Nazi camp solely for women. Seeking to trace Catherine's story as well as her influence on her brother, Picardie traveled to the significant places of Catherine's life, including Les Rhumbs, the Dior family villa with its magnificent gardens; the House of Dior in Paris; and La Colle Noire, Christian's chateâu that he bequeathed to his sister. Inventive and captivating, and shaped by Picardie's own journey, *Miss Dior* examines the legacy of Christian Dior, the secrets of postwar France, and the unbreakable bond between two remarkable siblings. Most important, it shines overdue recognition on a previously overlooked life, one that epitomized courage and also embodied the astonishing capacity of the human spirit to remain undimmed, even in the darkest circumstances. Includes Black-and-White Illustrations
