Coop's previously published works, *Devil's Advocate: The Art of Coop* (Weshampton House, 2001) and *The Big Fat One* (Aperient Pr, 2002), have focused primarily on the artist's illustrations. Using acrylics, Coop takes the bold iconography of his past work and re-contextualises it on a larger scale, examining its individual parts to create a cohesive whole. The book contains everything that Coop's fans love about his work - smoking devils, voluptuous girls and hotrods - presented side-by-side with a healthy dose of surprises.

The J.A.W. Cooper Collection compiles drawings and paintings from the sold-out 2017 releases of *Familiars*, *Flora and Fauna*, and *Viscera*. This collection leads us on a journey into the violent, steaming innards of making art--raw, spontaneous and unfettered. Drawing on themes of the occult, the artist explores animals as allegories for the human condition--a physical projection of that which is clandestine. Cooper explores instinct and intuition as the spark of artistic creation, to delight the feral child at our core. More than 230 works in a variety of mediums fill this handy-to-hold and easy-to-reference collection of art from the unique mind of J.A.W. Cooper. Please note that this art book contains nudity and is intended for mature audiences.

Following the worldwide success of *Momentary* (9784756248756), we are proud to present this second illustration artwork collection from Ilya Kuvshinov. This book collects over 300 new artworks the artist posted on social media, which were created after *Momentary* was published. This collection book also includes some of Ilya's commercial works adding extra variety to this 2nd book. After the success of *Momentary*, Ilya has gained popularity and has done some exhibitions and commercial works. One of the most prestigious jobs Ilya was offered was as the character and visual designer for the anime *The Wonderland* (directed by Keiichi Hara; *Crayon Shin-chan* series) and *Ghost in the Shell: SAC_2045*. This talented illustrator, who was influenced by many Japanese artists, now has 1.6 million followers worldwide on Instagram, and is established as an influencer of other illustrators around the world. As in the previous title, this book uses special printing technology to reproduce the beautiful colors of Ilya's CG illustrations, enhancing the possibility of 4-color printing. Because the previous book was solely focused on collecting Ilya's artwork which was presented on Ilya's social media, the book was in a square format. But this time, we have produced this book in a larger format to include some of Ilya's commercial works adding extra value and quality into this book.
