STEPHENS ARYANNA

Escape! Holiday House

Follows the life and exploits of the renowned magician and escape artist.

A Magician Among the Spirits Harper Collins

Harry Houdini was a great escape artist, but perhaps his greatest trick was becoming the famous magician that we have come to know. As a child, Houdini worked hard--and even quit school--to help support his family. But his dream always was to become a great magician

and performer. He practiced day and night, thinking up new tricks and more and more dangerous stunts. His intense ambition paid off, and soon Harry Houdini became known worldwide! This kid-appealing Step 3 traces Houdini's life from his poor beginnings to his eventual success as the most famous mystical magician and escape artist of all time.

Houdini Capstone

Harry Houdini escaped from prison cells, swallowed needles, and made elephants disappear. How did he do such amazing tricks? Some people believed he was actually a wizard with secret powers. But Houdini knew his only "secret powers"

were hard work and imagination. This is the story of the poor boy who grew up to be the most famous magician in the world. He was fearless and determined to amaze his audiences, and there seemed to be no limit to the risks that The Great Houdini would take.

The Great Houdini Yale University Press

Every kid has heard of Harry Houdini, the famous magician who could escape from handcuffs, jail cells, and locked trunks. But do they know that the ever-ambitious and adventurous Houdini was also a famous movie star and the first pilot to fly a plane in Australia? This well-told biography is full of the details of Houdini's life that kids will really want to know about and illustrated throughout with beautiful black-and-white line

drawings. Illustrated by John O'Brien.

A Picture Book of Harry Houdini Pen and Sword

The Great Houdini's Puzzle Vault contains 100 puzzles inspired by the greatest escapologist ever to have lived. With puzzle chains where one wrong answer can leave you locked in a never-ending circle of puzzles, and logic problems designed to confound the mind, this puzzle book is an enjoyable test for all. From spotting patterns in order to unlock safes, to figuring out what is wrong with the Vaudeville theatre audience, these puzzles each follow the life and times of Houdini and his mystifying counterparts in the early-twentieth century magicians' world.

Harry Houdini Penguin

As Sam and Uncle Ezra watch, the Great

Houdini escapes from a trunk at the bottom of the river. Includes factual information about Houdini and his career as a magician and escape artist.

Harry Houdini Pan Publishing

This biography of famed magician and illusionist Harry Houdini explores how he carried out his amazing feats and exposes the secrets behind many of Houdini's tricks. The author cites Houdini's brilliance, physical dexterity, and wild imagination as factors that made him a true master of illusion.

[The Life and Many Deaths of Harry Houdini](#) Random House Books for Young Readers

This biography recounts the life of Harry Houdini from his boyhood through his years as an escape artist and master

showman.

Houdini's Book of Magic Courier Corporation

“Noyes makes history accessible and irresistible . . . Excellent.”* A century ago, the curious idea that spirits not only survive death but can be contacted on the “other side” was widespread. Psychic mediums led countless séances, claiming to connect the grieving with their lost relations through everything from frenzied trance writing to sticky expulsions of ectoplasm. The craze caught Harry Houdini’s attention. Well-known by then as most renowned magician and escape artist, he began to investigate these spiritual phenomena. Are ghosts real? Can we communicate with them? Catch them in photographs? Or are all mediums “flim-flammers,”

employing tricks and illusions like Houdini himself? Peopled with odd and fascinating characters, Houdini's gripping quest will excite readers' universal wonderment with life, death, and the possibility of the Beyond.

The Great Houdini, Daring Escape Artist
Capstone

"In graphic novel format, explores the life of Harry Houdini and describes some of his most daring escapes"--Provided by publisher.

Escape! Enslow Pub Incorporated
Discover the man behind the magic and see how Houdini pulled off his most daring escapes Before Harry Houdini (1874–1926) became the greatest magician in the world, he was just little

Ehrich Weisz, a Hungarian-born immigrant who moved to America with his family and performed stage tricks for a little extra cash. He started off with card tricks and then eventually began performing the escape acts that would make him famous. Known for his daring and death-defying illusions, he would do some of the greatest tricks ever: escaping from a milk can, being buried alive, and being locked inside a crate and thrown into a river. He conquered each of these seemingly impossible feats and showed the world the power of a little magic. Fun, fast-paced, and highly illustrated, Harry Houdini tells the story of the curious boy who became the world's greatest magician and reveals how Houdini did some of his most stunning escapes. It includes a timeline,

glossary, and index.

The Life and Afterlife of Harry Houdini

Avid Reader Press / Simon & Schuster

Harry Houdini's expose of the fraudulent spiritualist, spirit photography, spirit slate writing, ectoplasm, clairvoyance, and other quakery and cons perpetrated on desperate believers. Specific spiritualists covered in the book include Dr. Slade, the Davenport Brothers, Anne O'Delia Diss Debar, the Fox Sisters, Daniel Dunglas Home, Eusapia Palladino, and other con artists of their ilk. The whole nation was excited by Houdini's campaign against fakers. He traveled across the country, offering money for spirit activities he would be unable to duplicate by his use of skilled illusions. It was a heyday not only for Houdini, but for the spiritualists themselves -- and

there was an equally famous protagonist who thought the spirits could indeed be contacted, Sir Arthur Conan Doyle. A photo at the start of the book records a meeting between Houdini and Doyle, who is given his own chapter in the book. There's also a full section on Daniel Dunglas Home, the English engineer of spectacular paranormal effects. Houdini saves his sharpest arguments for spiritualists who were giving their (usually paying) clients a vision of the hereafter, and shares the methods used to practice "fake" and sensational spiritualism. Houdini was nothing if not unrelenting. As a taste of things to come, he ends his introduction with the words: "Up to the present time everything that I have investigated has been the result of deluded brains,"

though Houdini attests to his own open mind on the topic of the afterlife and recounts his personal attempts to communicate with the dead.
