From flamboyant Capitol fashion to the wild, earthy textures of the unforgiving arena, *The World of the Hunger Games* is rich with stunning imagery. Between these pages you'll find intricate patterns, logos, and designs inspired by characters and scenes from all four *The Hunger Games* films, inviting you to fill them with color. Unleash your imagination and add your own flair to Effie Trinket's outrageous outfits, Katniss's trademark braids, Cinna's stunning creations, and, of course, the iconic Mockingjay. Both inspiring and relaxing, this gorgeous coloring book is a must-have for any *The Hunger Games* fan.

Creative Haven Norman Rockwell Classics from The Saturday Evening Post Coloring Book Courier Dover Publications

Thirty-one illustrations by Norman Rockwell appear in all their heartwarming glory in this classic and collectible coloring book, handpicked from hundreds of covers that the artist created for *The Saturday Evening Post*.

Creative Haven Autumn Scenes Coloring Book HarperTeen

A laugh-out-loud look at all the fun things grown-ups never let you do . . . now in paperback! Jenny Offill, author of *11 Experiments That Failed*, describes how tough it is to be a kid, when even the (seemingly) best ideas are met with resistance. The text is short, spare, and fall-on-the-floor funny—not to mention utterly child-friendly. Here, accompanied by Nancy Carpenter's hilariously clever illustrations, is a day-in-the-life look at a kid as she torments her brother, her pet, her classmates, and, of course, her mother. The theme of this *Dragonfly Book* is Just for Fun.

Norman Rockwell and the Saturday Evening Post Harry N Abrams Incorporated

Creative Heaven Main Street Coloring Book Dover Publications

The beloved art of Norman Rockwell chronicles small-town America and reflects the simple kindnesses that paint ordinary life with shades of the extraordinary. This gathering of select Rockwell classics is joined by stories that illuminate acts of goodwill that transformed people's lives: A cycle shop owner gives Lance Armstrong his first bike, and the rest is history. The young, hurting Frank Peretti is shown compassion that opens up his heart. One man's sharing of faith changed the life of shoe salesman Dwight L. Moody. Norman Rockwell fans, Americana collectors, and those who cherish an uplifting look at life will treasure this celebration of family, community, and the goodness that overflows from the simplest acts of faith.

Creative Haven The Saturday Evening Post Americana Coloring Book Little Brown & Company

An innovative coloring book featuring 46 beautifully intricate line illustrations of famous masterpieces, coupled with illuminating short essays on the artists and their work. This is the first coloring book to take its inspiration from the most creative images imaginable—the greatest art of the world. Using carefully drawn line illustrations of famous masterpieces, the book takes the colorist on an inspiring world tour. Along the way you can try your hand at replicating the originals or applying slightly-or perhaps even entirely-different palettes. In the process you will also learn to appreciate the complexity and composition of these great works, aided by the brief, insightful commentaries. *Masterpiece Collection* is simultaneously relaxing, challenging, and informative: an exquisite combination that will appeal to everyone who's got the coloring bug, and to anyone on the verge of catching it.

To the Ocean Deep Harvest House Pub

Open this book and you'll soon find yourself immersed in the wonderful gingerbread world of Victorian architecture and interior design. From a nostalgic introduction by John Philip Sousa III to the charming original illustrations of Daniel Lewis, *The Victorian House Coloring Book* invites children and colorists to re-create the furnishings, color schemes, and rich decorations of a lovely Victorian home. Comprising a complete household tour, these beautifully authentic illustrations depict the exterior, attic, front hallway, parlor, library, dining room, kitchen, three bedrooms, bathroom (including a water closet), and basement. In addition, a delightful double-page spread shows the garden with a gazebo. Typical of Victorian-era house, which often combined several architectural

styles, the house shown here blends a simple Italianate exterior with such Second Empire features as a mansard roof and dormer windows. Other styles often featured in such homes include Queen Anne and Romanesque revivals, Carpenter Gothic and Stick, and Eastlake. A well-researched and informative text by Kristin Helberg accompanies each illustration, commenting on furnishings and architectural details and providing insight into the historical background and everyday life of the era. Dollhouse buffs, who consistently prefer the Victorian style to all others, will welcome this handsome book, while designers and illustrators will be especially pleased that all the illustrations are royalty free.
