stand in the office of prophet. *Thinking about the Prophets* Kenneth Hagin Ministries This definitive book takes a scriptural look at the offices of the apostle, prophet, and pastor in the Early Church and the Body of Christ today.

Growing In The Prophetic

Kenneth Hagin Ministries Why settle for adequate when you can be first-rate? There is no shortage of ministers who desire to

achieve excellence. But only a few dare to demand it of themselves. In this clear call for action, Kenneth Copeland shows how to turn that inner desire into a firm decision to be all that God has called you to be. No matter what area of God's service you're in, don't stop short of these *Six Steps to Excellence in Ministry*. **Six Steps to Excellence In Ministry** Kenneth Hagin Ministries There are instructions

set forth in the Word of God to teach men how to live a prosperous life. True prosperity is the ability to apply the power of God to meet any need spiritual, mental, and physical. In this book, Kenneth Copeland shares the revelation of spiritual laws that govern prosperity. The Laws of Prosperity is written to teach you how to apply these laws in your own life so that you can begin to enjoy the great,

abundant life that only God can provide. *Learning to Flow with the Spirit of God* Spiritual Growth This important book shows believers that their healing is an accomplished fact and how they can possess the promise of healing. *The Prophet's Handbook* iUniverse Kenneth E. Hagin shows the believer how to get prayers answered. Effective praying, he explains is the result of

following certain Biblical principles he outlines in this book. How God Taught Me about Prosperity Destiny Image Publishers Rethinking the great literary prophets whose ministry ran from the eighth to the sixth centuries BCE--Amos, Hosea, First Isaiah, Jeremiah, Ezekiel, Second Isaiah, and Job-- Thinking about the Prophets examines their often-

shocking teachings in light of their times, their influence on later Western and Jewish thinkers, and their enduring lessons for all of us. As a noted scholar of Jewish philosophy, Kenneth Seeskin teases out philosophical, ethical, and theological questions in the writings, such as the nature of moral reasoning, the divine persona, divine providence, the suffering of the

innocent, the power of repentance, and what it means to believe in a monotheistic conception of God. Seeskin demonstrates that great ideas are not limited by time or place, but rather once put forth, take on a life of their own. Thus he interweaves the medieval and modern philosophers Maimonides, Kant, Cohen, Buber, Levinas, Heschel, and Soloveitchik, all of whom read the prophets and

had important things to say as a result. We come to see the prophets perhaps in equal measure as divinely authorized whistle-blowers and profound thinkers of the human condition. Readers of all levels will find this volume an accessible and provoking introduction to the enduring significance of biblical prophecy. leadership within local churches or groups of churches, Derek Tidball provides a comprehensive survey of the variety of ministry models and patterns found in the New Testament with applications for today's ministry. *Discern False Prophets* Faith Library Publications There is so much confusion today concerning who is a true prophet and who is a false prophet. God

has not kept us in dark on any issue of life. The working of miracles and performing signs and wonders have been seen as a prove that someone is a prophet, but Jesus said in Matt 24:24 that false prophets will rise and will perform many signs and wonders that if care is not taken, even the elects will be deceived. If signs and wonders, miracles are not the yardstick to measure who is a true

prophet then the big question is, HOW DO WE KNOW WHO IS A FALSE PROPHET? The author in this book reveals step by step guide on how to know who is a false prophet. *The Woman Question* Kenneth Hagin Ministries Do not make the mistake multiplied thousands of Christians are making. That is, wondering and wavering concerning the will of God in anything that is promised by God.

I Believe in Visions Faith Library Publications This groundbreaking book deals with many of the perplexing issues regarding the role of women in the Church and provides scriptural answers for the questions that plague the Body of Christ. The Laws of Prosperity Charisma Media Are prophets active in the church today? What is prophecy? What is a prophet? What is the purpose

of the prophetic ministry? What happened to the prophetic ministry throughout history? What are the correct modes of delivering prophecy? How is prophecy judged? In this book, Dr. Edgar Gonzalez Jaime answers these and many other questions surrounding this often-misunderstood subject. Discover the biblical roots, historical development, theological foundation, the correct and proper practice of the prophetic ministry, and why it is of vital importance in today's local church. Dr. Gonzalez-Jaime is a pioneer practical theologian in the prophetic ministry. I have found no book on the subject of prophecy that can rival this one in its scholarly integrity, biblical balance and practical usefulness. Dr. David Dorries, Oslo International Bible College, Oslo, Norway. This book is the answer to the prayers of many servants of God. . . .
